No. 5

Published bi-monthly by Maryville College. Entered May 24, 1904, at Maryville, Tennessee, as second-class mail matter. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, authorized February 10, 1919.

WILLIAM CLAY CROWDER, PRESIDENT OF THE
ALUMNI ASSOCIATION

Dr. Crowder, whose home is in Maryville, graduated from Maryville College in 1928 and from the University of Tennessee Medical College, Memphis, in 1932. He interned at Evangelical Hospital, Chicago, and in 1934 joined his father in practice in Maryville and immediately became "Dr. Bill." He and his father, known to many generations of college students, worked together until his father's death last January.

Dr. Crowder has done post-graduate study at Cook County Hospital, Chicago, and at Harvard University Medical School. His practice now is confined entirely to internal medicine. He is Chief of Staff at Blount Memorial Hospital, a hospital of 125 beds and the only one in this County.

In 1933 he married Grace Wilson, of Memphis, and they have three sons.

Dear Fellow Alumni:

I feel honored in being elected to the Presidency of our Alumni Association. I appreciate this privilege and hope to maintain the standards of my predecessors in the promotion of Maryville College's ideals and excellent reputation "to the uttermost parts of the earth."

To many of you, who have not visited the College in late years, "the Hill" would look very different and much improved. The Fine Arts Center is being completed and is being used this year for the first time. The building is contemporary in design, in line with the architecture of new buildings being erected on campuses of a number of other colleges over the nation. It represents a notable addition to the facilities of the College. All alumni are deeply grateful to the donors.

With war in Korea, and the general unrest, there is the possibility of many of our young men being called into service. Whether alumni or undergraduates, these men will carry with them, wherever they may be, the Christian courage and good morals instilled into them at Maryville College.

Though there have been some changes made in student education, the high ideals and moral standards are the same under the Presidency of Ralph W. Lloyd. Students continue to come from all over the world.

The Chapel, to replace Voorhees Chapel, is still to be built. It will be a memorial to Dr. Samuel Tyndale Wilson, whom so many of us loved and respected. Considerable money has been pledged and given for this building, but more will be needed before it can be started. As an alumnus, I appeal to you to consider this project in your planned giving this year.

Sincerely yours,

A handwritten signature in cursive script that reads "W. C. Crowder".

Alumni Association

President Cloyd's Page

DEAR ALUMNI OF MARYVILLE COLLEGE:

TWENTY YEARS! It was on June 5, 1930, that President Samuel Tyndale Wilson announced his retirement and that the Board of Directors did me the high honor of extending a call to become his successor. It was on September 28, 1930 that I wired the Directors my acceptance of the call and announced my decision to the Edgewood Presbyterian Church, Pittsburgh, of which I was then pastor. It was on November 29, 1930, that Mrs. Lloyd and I were formally welcomed to Maryville in Elizabeth R. Voorhees Chapel. And now it is October, 1950, twenty years later.

As I write this message I am beginning preparation of my twentieth annual report to the Directors of the College, who will hold their Fall Meeting on November 21. It is my purpose to make the first section of the report a general summary of these twenty years and to have it printed in a form which can be mailed to alumni. It is startling to realize that more than half of all the graduates of Maryville College since it was founded in 1819 have graduated during these last twenty years. Considerably more than half of you who see this page are part of this twenty-year history.

What a twenty-year period it has been!—Depression, war, victory, hopes, disappointment, struggles for recovery, world conflict for control, yet steady advances at the College. But the story of those years at the College must be told in the twentieth annual report, not here.

"THE CHRISTIAN COLLEGE IN AMERICA" is the title of a pamphlet which I have been writing and which has just come from the printer. In it I have tried to sum up the case for the Christian college. The issue is a crucial one, more crucial than most of us realize, and I hope you will read and find of some practical value this pamphlet which will be sent to you later. If you wish additional copies please write us for them.

CURRENT EVENTS AT MARYVILLE. The fiscal year of 1949-1950 closed on May 31 with the budget balanced by a small margin. The academic year of 1950-1951 opened on August 29 with an enrollment of 825, which is approximately ten percent below the 905 enrolled at the opening a year ago, for reasons suggested in a report elsewhere in this magazine. The Fine Arts Center is full of music and art students each day even though it will not be completely ready until after November 1, I think. The Chapel Fund grew a good deal this summer and neared a figure which could justify asking for bids, only to have war conditions make that impracticable at the moment.

Several of our most trusted and capable officers and faculty have retired in recent months, and we are missing them in the new year. Articles concerning them will be found on other pages. New persons who have come to fill the vacancies are making a good start.

I rejoice in the excellent reports which come concerning the service and progress of so many of you and solicit your continuous and increasing support and prayers.

Very cordially yours,

Ralph Waldo Cloyd

COLLEGE OPENS

The Fall Semester began on August 29 with the usual flurry of opening day. The routine may be the same each year but not the people. The freshmen arrive with varying degrees of anticipation, poise, homesickness; everyone looks them over trying to size up the new class; old students greet each other vociferously; faculty and students alike try to catch up on the happenings of the summer. But by the end of the first week things have quieted down and by mid-September the serious work of the year is well underway.

And so it is in the fall of 1950. There was a new undercurrent in the opening days this year—a considerable number of cancellations by students affected through the war. These came too late to fill the places from those whose applications had been refused earlier because of lack of room.

The chapel services appear as full as ever with the 825 students enrolled. But actually that is 79 fewer than the 904 of a year ago.

FOUNDERS DAY SPEAKER

The Founders Day address on October 21 will be given by President John A. Mackay of the Theological Seminary, Princeton, New Jersey. Dr. Mackay is one of the most eminent church leaders of our day. He was born in Inverness, Scotland; holds the Master's degree with first class honors in philosophy from the University of Aberdeen, Scotland; the B.D. degree from Princeton Theological Seminary; the Doctor of Letters degree from the University of Lima, Peru, and the University of Bonn, Germany; the Doctor of Divinity degree from Princeton University, Aberdeen University, Debrecen University, Hungary, and Presbyterian College, Montreal; and other honorary degrees from Ohio Wesleyan, Albright, Boston University, and Lafayette. He was for many years a leading missionary and scholar in South America and has given lectures in many countries of the world. He is President of the Presbyterian Board of Foreign Missions, on the Central Committee of the World Council of Churches, is Chairman of the International Missionary Council, and holds many other important positions, including the editorship of "Theology Today." He has been President of Princeton Seminary since 1936.

GIFTS TO THE COLLEGE

Today when so much of the nation's money is taken up in taxes and spent by government, and when the appropriations out of tax funds to State universities and other public institutions so overshadow all other educational finance, we tend to forget that most of America's oldest colleges are financed by private gifts. They must depend on gifts and Maryville continues to receive benefactions from alumni and friends who believe in its service.

Announcement is made by President Lloyd that on August 18, 1950, the College received \$87,682 in cash and securities from the estate of the late Callie Wood Ross, of Knoxville and California. This noble gift will be placed in the Endowment Funds in accord with Mrs. Ross's will. The income is to be used for support of faculty graduate study and for support of the student help program. Maryville College and the University of Tennessee shared alike in the residue of her estate.

ALUMNI CLUBS AND MEETINGS

On April 24 the Northern Ohio Maryville College Club held a dinner meeting at the Westminster Presbyterian Church, in Akron. Bill MacCalmont, '36, is pastor of the church and he and his wife, Ruth Proffitt MacCalmont, '37, acted as host and hostess. Rev. Arthur R. Kinsler, Jr., '24, is chairman of the Club and Mrs. Albert Slawson (Jeanne Fenn, '37) is secretary.

Dr. Johnson, Vice-President of the Alumni Association.

On April 27 the New England Maryville College Club was organized at a dinner meeting in Boston. Leland T. Waggoner, '38, was elected chairman and Mrs. John Carr (Lois Black, '38) secretary-treasurer.

Miss Painter, Recording Secretary of the Alumni Association.

On April 29 the Philadelphia Club held its annual dinner. The following officers for the ensuing year were elected: Chairman, David S. Marston, '29; vice chairman, Luther M. Hammond, '28; secretary-treasurer, Mrs. Clyde W. Powell (Kathryn Reed, '38). President Lloyd attended all three of these meetings.

A group of alumni living in San Diego met at the home of Rev. and Mrs. Lester E. Bond, '15, on the afternoon of June 4, "had hamburgers in the patio and talked Maryville College for three hours." They decided to have another meeting in the early fall.

The National Capital Club held its annual dinner in the Berwyn Presbyterian Church, Berwyn, Maryland, on June 16. There were twenty-three present from the Washington-Baltimore area. J. Edward Kidder, '16, retiring chairman of the Club, is pastor of the Berwyn Church. The following officers for the year 1950-1951 were elected: Chairman, William J. Marston, '33; vice chairman, Clifford T. Morgan, '36; secretary-treasurer, Mrs. C. E. Warner (Helen Horton, '21).

The Ohio Valley Club held a picnic on July 21 at Farmwood, the home of Rev. and Mrs. E. Philip Vogel, '30 (Eleanor Kuhlman, '30), near Cincinnati.

A Maryville College picnic was held in Lincoln Park, Seattle, on September 9. Twenty-seven people attended from the Seattle-Portland area. They decided that because of the long distances and the limited number of alumni in the area a formal organization would not be set up but that they would hold another picnic next summer. A committee, consisting of W. L. Haley, '09, chairman, Frank E. Baker, '30, and Gilbert O. Robinson, '16, was chosen to organize the 1951 picnic. W. Wade Haggard, '17, served as chairman of the informal committee which arranged the meeting this September.

THE FINE ARTS CENTER

The accompanying pictures show *The Fine Arts Center* (this is the name which will be on the building in aluminum letters) is almost, but not quite, completed.

The pictures show that it is a graceful and artistically conceived and substantially constructed building. But they do not begin to show its full size, its varied wings, its remarkable functional qualities, or the detailed beauties over which all visitors exclaim. Sometime in the future there will be a brochure with enough photographs, both exterior and interior, to show the main features. And it is hoped that the Spring issue of this Bulletin can carry some later pictures and a floor plan.

It was expected that construction would be completed in the summer but there were delays which are holding up some materials until October. The largest sections of plate glass are those forming the east walls of the classrooms. These have not yet been delivered. Painting, wiring, and plumbing are still in progress.

But when music and art instruction began for the present college year they began in the new building. Some twenty-five or thirty pianos were moved in, and the art students set up their equipment in the art wing. For more than a month pianos, hammers and saws, soprano and tenor voices, water color sketches and ceiling paints have made the building a place of great activity and many sounds.

The first plan was to dedicate the Center on Founders Day, October 21. But delivery of Music Hall seats, classroom chairs, and other equipment is still uncertain because of strikes. Therefore, the dedication has been set, provisionally, for Saturday, November 18. The principal ceremony will be at 9:45 a.m. There

will be other features in the afternoon and evening.

The building is already attracting wide attention. The professional magazine, *Architectural Record*, for June published four pages of pictures and description. The magazine *Time* made reference to it. There have been many visitors. The Tennessee Chapter of the American Institute of Architects used part of its annual meeting, held in Knoxville October 7, for a group visitation to the building as the "most outstanding and interesting" in the area.

It will be recalled that the donors of the building are Mr. and Mrs. Glen A. Lloyd, of Chicago; that the architects are Schweikher and Elting, of Chicago; and that the contractors are Johnson and Willard of Knoxville.

FINE ARTS FESTIVAL ANNOUNCED

It has been announced by President Lloyd that there will be inaugurated next spring a Fine Arts Festival at Maryville College which is expected to become one of the most notable events in the Southeast.

This is made possible and is inspired by the new Fine Arts Center. The details of the Festival have not been fully developed, but the general plan calls for invitations to be sent to interested teachers and students throughout the area. There will be substantial awards offered for successful competition in music, probably in art also, and perhaps in drama in a later year.

The dates set tentatively for the first Festival are May 4 and 5, 1951.

THE NEW CHAPEL

The total amount of money and pledges in the Chapel Fund was about \$275,000, President Lloyd announced near the end of September. Five sixths of this is cash in the bank. It had been hoped that when construction of the New Fine Arts Center was completed, construction of the new Chapel might begin.

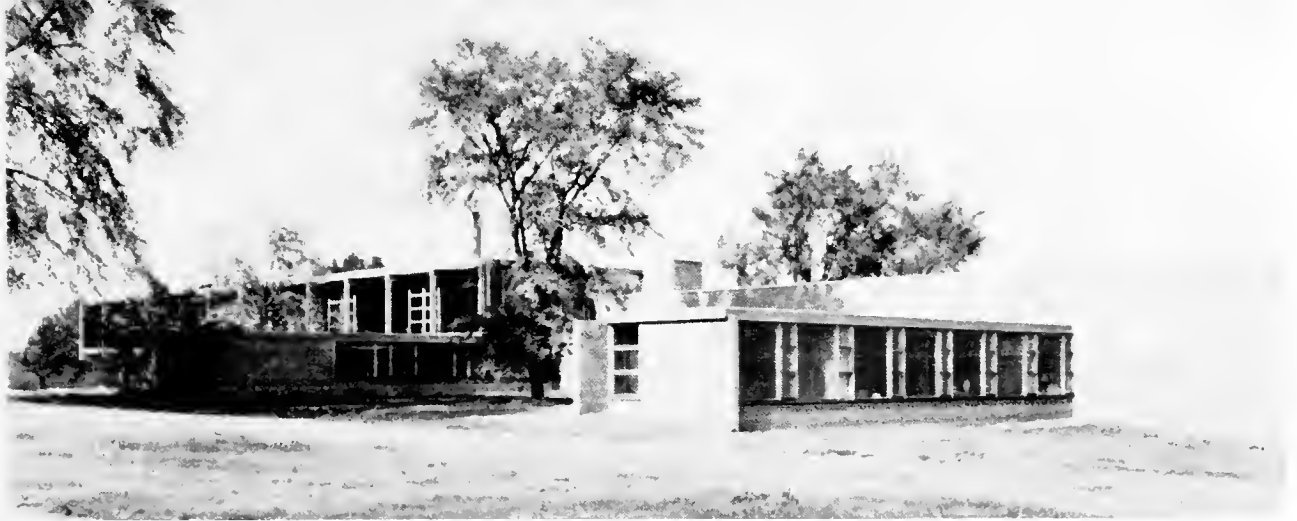

However, the sharp effects of the present national rearmament policy on building materials and costs make such procedure impracticable just now. Also there is urgent need for more money for the Chapel. The total cost is estimated at \$400,000. Alumni who have not subscribed or who feel they can increase their subscriptions are urged to send pledges and subscriptions to the Treasurer's Office, Maryville College.

FEBRUARY MEETINGS—1951

The preacher at the 1951 February Meetings will be the Rev. Luther E. Stein, D.D., Pastor of the First Presbyterian Church, Oak Park (Chicago), Illinois. The song leader for the twenty-ninth time will be the Rev. Sidney E. Stringham, D.D., Pastor of the Cabanne Methodist Church, St. Louis, Missouri.

Dr. Stein was leader of the Meetings once before, in 1946. At that time he was a Secretary of the Presbyterian Board of Christian Education, to which position he had gone from the pastorate of a large church in California. He is a graduate of Hastings College, Nebraska, and of the San Francisco Theological

Seminary, San Anselmo, California.

The dates of the 1951 February Meetings will be January 31 to February 8, which is a week earlier than the dates announced in the 1950 Catalog.

NEW FACULTY

Betty Jo Clemens, Instructor in Physical Education. Miss Clemens, a member of last May's graduating class, has been appointed to serve during the absence of Edith Merle Lagen, who is on leave this year to do graduate study at the University of Tennessee.

Grace Collins, Assistant to the Head of Pearsons Hall. Miss Collins' home is in Knoxville, Tennessee, although for the past five years she has been employed in California.

Kathleen Craven, Instructor in Drama and Speech. Miss Craven received her bachelor's degree at Greensboro College, North Carolina, and her master's degree at Columbia University. She has had business and teaching experience, and for two years was a Red Cross Club Director in Europe.

Katherine Crews, Instructor in Music. Miss Crews graduated at Maryville College in 1943 and received her M.A. degree from the Eastman School of Music, Rochester, New York. She taught music in the public schools in Morristown, Tennessee. At Maryville College she will teach School Music.

Anna O. Currie, Assistant to the Head of Baldwin Hall. Mrs. Currie's home is in Newark, Ohio, where for several years she has been a Home Service Director of the Red Cross.

Malcolm J. Dashiell, Instructor in Art. Mr. Dashiell holds a Bachelor of Fine Arts degree from John Herron Art Institute, Indianapolis, and studied for a year at Academy Julian, Paris. He was in military service for four years, serving in the Aleutian Islands and in Italy. For the past year he has been working as a commercial artist.

William Halcot Ford, Associate Professor of Economics. Mr. Ford received both his bachelor's and master's degree from the University of South Carolina. He comes to Maryville from the faculty of Wofford College, South Carolina.

Anne S. Fordham, Head of McLain Memorial Hall. Mrs. LeMaster, who has been Head of Memorial for the past two years, is now Head of Pearsons Hall.

Evelyn G. Guss, Instructor in Greek and Latin. Miss Guss did her bachelor's degree work at Gettysburg College and her master's degree work at the University of Pittsburgh.

Paul C. Kolter, Instructor in Biology. Mr. Kolter graduated at Maryville College in 1948 and received his master's degree at the University of Tennessee.

Kathryn W. Martin, Assistant Professor of Spanish and French. Miss Martin holds a bachelor's and a master's degree from Vanderbilt University and has done additional graduate study there toward her doctorate. She has traveled extensively in Mexico and Guatemala. For three years she was on the faculty of the College of Wooster.

Anne Gates Paxton, Assistant in the Library. Mrs. Paxton graduated last May and is working while her husband (Ben Paxton, '50) is studying for his master's degree at the University of Tennessee.

Ella Mae Thompson, Assistant in the Library. Miss Thompson, since her graduation from Maryville College in 1948, has worked in a book shop and for the past year and a half in Lawson McGhee Library, Knoxville. She is the daughter of Lela Beeler Thompson, '21, and Walter S. Thompson, ex '25.

FACULTY NEWS AND SUMMER ACTIVITIES

Miss Jackson, Assistant Professor of English, is on Sabbatical Leave of Absence for graduate study. She spent the summer at Leland Stanford University and is now at the University of Colorado. Etta Culbertson Kennedy, '39, is teaching in her place this year.

Mr. Phillips, Assistant Professor of Economics, is on leave to do graduate study at Columbia University. In addition to his study he is serving as Lecturer in Marketing in the School of General Studies of Columbia.

Mr. Pieper, Associate Professor of Political Science, is back this year after two years on leave, the first studying at the University of Tennessee and the second at the University of North Carolina.

Mrs. Disbrow, formerly on the Personnel Office staff, is now Editorial Supervisor of Special Studies and Assistant in the Library, succeeding Esther Cornelius Swenson, who resigned to go with her husband to McCormick Theological Seminary.

Many of the faculty attended summer schools. Among them were Mr. Ainsworth (Political Science) at the University of Chicago; Mrs. Brown (Biology), Mr. Bushing (English), Mr. Minear (Economics), Mr. Paxton (Physics), Mrs. Pieper

(Sociology), Miss Robertson (Home Economics), and Mrs. Stepp (Home Economics), at the University of Tennessee; Mr. Engelhardt (Bible) at the University of Pittsburgh; Mr. Harter (Music), Mr. Johnson (Physical Education), and Mr. Reber (German) at Indiana University; Miss Horne (Music) and Miss Vawter (Music) at Eastman School of Music; Mr. Hughes (Music) at Northwestern University; and Mr. Schwam (Spanish) at Columbia University. Mr. Davis (Physical Education) attended coaching schools at the Universities of Alabama and Tennessee.

Other faculty members taught at various summer schools: Miss Blair at Alabama College; Dr. Briggs and Dr. Williams at Appalachian State Teachers College; Mrs. Cummings at Biblical Seminary in New York; Dr. Queener at New Mexico Highlands University. The Teachers' Workshops, for public school teachers of the Maryville and Blount County area, were continued on the campus during part of the summer; Dr. Barker, Mr. Davis, Miss Heron, Dr. Hunter, Miss Jessie Johnson, and Mr. Kiger taught classes in these Workshops. Mrs. Kramer taught at Methodist conferences for children's workers in Georgia, Florida, Mississippi, and Alabama. Dr. Buchanan for the second summer served as business manager of Camp Sequoyah in North Carolina.

Miss Charlotte Johnson and Miss Arda Walker had an extensive trip in Europe, visiting France, Switzerland, Italy, Spain, and England. Others traveled in this country: the Ors going to Colorado, Utah, and New Mexico; the Sicks to Canada and New England; the Lloyds to Kansas City and Colorado; the Cases to their cottage in Minnesota; Miss Lightfoot and Miss Hunter to Nova Scotia; Miss Grierson to a meeting of the American Library Association in Cleveland and then to the Adirondacks; Miss Davies to Boston; Miss Goss and Miss Davies of the Treasurer's Office to Florida; Miss Rodemann to Iowa.

NEW FOOTBALL FIELD

A new Maryville College Football Field was initiated by the Highlander-Hiwassee game on the night of September 23. It is located in the area just beyond the left-field side of the baseball field.

About three years ago the College cleared that area of trees and undergrowth and graded it with bulldozers. Grass has been planted and "nursed" since that time. Funds for this work were allocated from the undesignated balance in the New Forward Fund.

Finally, in the spring of 1950, the Directors' Committee on Finance and the President of the College authorized the erection of fence and bleachers with a view to putting the new field into service this fall. This is even more expensive than clearing and grading the ground and there are no special funds at hand for this project. The plan is for the College to finance it over a period of several years. The cost of clearing, grading, sowing, and drainage for the field was about \$3,500. The net cost of erecting fence, bleachers, new lights, and other developments this year will be approximately \$15,500, making a total of about \$19,000. This is a large amount but it is hardly to be compared to the usual cost of a modern stadium. The steel bleachers on the west side of the old field were moved to the west side of the new field. New and larger steel bleachers have been erected on the east side; the east side bleachers at the old field were traded in on these. The seating capacity of the west steel bleachers is 1,100 and of the east steel bleachers is 1,500. In addition there are knockdown wooden bleachers (used also for baseball and basketball) on the west side, with a seating capacity of 700, and a band section seating 100. At the north end are small movable wooden bleachers seating 100. Thus there are seats for approximately 3,500 people and extensive space for more seats when needed and available. The new steel bleachers on the east side were still uncompleted, although they had been promised, at the time of the first game. Therefore, the permanent bleachers seating 900 were moved temporarily from the Alumni Gym to the south end of the field.

There is a high woven fence around the field and bleachers and a smaller inner fence around the playing field itself. There is a new cinder block ticket "house" (painted gray to match the bleachers) by the main entrance, which is at the corner toward the old football field.

The new lights are higher and more modern and powerful than the old ones, although the latter have given good service for many years.

The old football field has been in use ever since football was inaugurated at Maryville College under Kin Takahashi in the

1890's. The reasons for building a new one were mainly four: (a) the old field was not as well graded as are modern fields, one evidence being the considerable slope toward the south end; (b) more space than was available was needed around the field; (c) it seemed desirable to be less at the center of the campus since people and automobiles have increased in numbers; (d) since new lights, new grading, and more seating would soon be necessary in any case, it seemed best to move as has been done. The old field will still be an athletic field, used chiefly for the intramural program.

The new field promises to be an excellent one although a year or two or three will be required to produce the kind and amount of grass desired. It is only because of the unusual amount of rain during the past summer that there is enough grass now to make the field usable.

FACULTY AND STAFF

RETIREMENTS

SUSAN GREEN BLACK, Professor of Biology and Chairman of the Division of Science. Mrs. Black's retirement was announced at Commencement. Her service of forty-four years at Maryville College is an historic one. No one in the College's history, except Dr. Wilson with forty-six years' service, has served so long as has Mrs. Black. Maryville College conferred upon her in 1930 the honorary degree of Doctor of Humane Letters. She and Mr. Black will continue to reside on Hillside Avenue just off the campus.

EDMUND WAYNE DAVIS, Professor of Greek and Secretary of the Faculty. Dr. Davis' retirement also was announced at Commencement. His service at the College has extended over thirty-four years. In 1937 Maryville conferred upon him the honorary degree of Doctor of Letters. He and Mrs. Davis, who is now recovering from an illness, live in their home on Miller Avenue.

CLEMMIE J. HENRY, Director of Student-Help. As was stated publicly at Commencement, Miss Henry has found it necessary because of health to relinquish her full-time program. She spent the summer at Palo Alto, California, and is now at Boulder, Colorado. The high regard in which she and her service of thirty-two years are held may be seen in the fact that upon recommendation of the President and Faculty the Directors conferred upon her at Commencement the honorary degree of Doctor of Laws.

EMMA LEE WORLEY, Head of Pearsons Hall, retired this past summer after twenty-two years of service. In those years she has served as Head of Memorial, Baldwin, and Pearsons, and of Carnegie during the War when girls roomed there and the boys were moved to Memorial. Mrs. Worley is living in the suburbs of Knoxville.

PEARL WELLS BUTCHER, Assistant to the Head of Pearsons Hall, also retired this summer after twenty-four years of service in this position. In recent years she has served also as Assistant in the Maintenance Department with special responsibility for care of buildings. Mrs. Butcher is living in her home which she has had for a number of years in Knoxville.

MISS HENRY'S NEW RELATIONSHIP

Miss Clemmie J. Henry, who at her own urgent request retired last May as Director of Student-Help, has found it possible to continue a part-time service for the College.

President Lloyd has announced her appointment as "Special Assistant to the President." She will give time especially to the College's contacts with friends throughout the country. She is carrying forward the building of a fund for a new women's dormitory, toward which over \$77,000 has been subscribed to date.

Miss Henry (or Dr. Henry, as she now is) will make her home during the coming months in Boulder, Colorado, carrying on correspondence through the Maryville College offices and also direct from Boulder. Her address is 749 Sixteenth Street, Boulder, Colorado.

BOARD OF DIRECTORS

New Directors. In June the Synod of Mid-South of the Presbyterian Church in the U.S.A. elected two new Directors of the College, Rev. J. Hayden Laster (Maryville College 1930), Pastor of the Presbyterian Church at Milan, Tennessee; and Rev. W. Wood Duff, D.D., Pastor of the Hillsboro Presbyterian Church, Nashville, Tennessee. These men are active church leaders in the Synod of Mid-South. Dr. Duff is Chairman of Synod's Committee on Christian Education. Both Mr. and Mrs. Laster are graduates of Maryville College.

Appreciation to Retiring Directors. The Synod and the College have expressed appreciation for the services of Mr. William E. Minnis, of New Market, Tennessee, and President E. E. Gabbard of Witherspoon College, Buckhorn, Kentucky, whose places on the Board are now taken by Mr. Laster and Dr. Duff. The failing health of Mr. Minnis, who has been a Director for thirty-seven years, makes it impossible for him to give service now. Dr. Gabbard was elected to the Board eighteen years ago when he was Pastor of Northside Presbyterian Church, Chattanooga, and has consented for a number of years to continue although now head of another institution.

Death of Dr. Pugh. The College has recently lost by death one of its distinguished Directors. On September 14, Dr. William Barrow Pugh, of Philadelphia, Pennsylvania, was killed in an automobile accident in Wyoming where he was filling some speaking engagements. President Lloyd was present at the funeral service in First Presbyterian Church, Philadelphia, and at the interment in Arlington National Cemetery where Dr. Pugh was buried because of his long service as an Army Chaplain. Dr. John H. Gardner, Jr. of Baltimore, a member of the Maryville Board of Directors, was likewise at both services; also Dr. Charles R. Erdman, of Princeton, and possibly others of our Directors were at the Philadelphia service. Dr. Pugh has been Stated Clerk of the General Assembly of the Presbyterian Church in the U.S.A. since 1939 and on the Board of Directors of Maryville College since 1942.

Officers and Committees. In accordance with their By-Laws, the Directors each year at their Fall Meeting elect three officers and two permanent working committees. Those elected in 1949 are as follows: *Chairman*—Judge Samuel O. Houston, Knoxville, who has been chairman since 1932; *Vice-Chairman*—Rev. Dr. Frank M. Cross, Birmingham; *Recorder*—Joe C. Gamble, Maryville. *Committee on Administration*—three ex-officio: President Ralph W.

Lloyd (Chairman), Chairman Samuel O. Houston, Chairman of Finance Committee Joe C. Gamble; four elected: Rev. Dr. Clifford E. Barbour, Miss Clemmie J. Henry (Secretary), Albert D. Huddleston, and Thomas McCroskey (deceased). *Committee on Finance*—Joe C. Gamble (Chairman), Hugh R. Crawford (Secretary), F. Edward Barkley, Albert M. Brinkley, Robert J. MacLellan, Clyde T. Murray, and President Ralph W. Lloyd (ex-officio).

Meetings. The Board has two stated meetings a year—on the third Tuesday of November and on Commencement Day. The Committee on Finance meets monthly and the Committee on Administration bi-monthly.

COMMENCEMENT - 1950

The Class of 1950 was the largest in the College's history. On Commencement Day 149 seniors received their diplomas; 14 had finished at the end of the first semester, and 12 completed their work in the summer, making a total of 175 in the Class of 1950. Of the 111 men in the class, 62 were veterans. The largest previous class was that of 1936, which had a total of 144 graduates.

The Commencement Address was given by Rev. Dr. H. Ray Anderson, Pastor of the Fourth Presbyterian Church, Chicago, and a Director of the College. He spoke on "State Worship - The New Idolatry." Honorary degrees were granted to four persons. The degree of Doctor of Letters was awarded, in absentia, to the Rev. Dunbar Hunt Ogden, D.D., LL.D., Pastor of the Napoleon Avenue Presbyterian Church, New Orleans, and Chairman of the Permanent Committee on Church Cooperation and Union of the Presbyterian Church in the U.S. Dr. Ogden was to have been the Commencement speaker but was prevented from coming by illness. Dr. Anderson graciously consented to take his place.

The degree of Doctor of Laws was conferred upon Miss Clemmie J. Henry, for thirty-two years Director of Student-Help at Maryville College, "in recognition of her long and consecrated service to Maryville College and to the youth who have been its students for the past third of a century, and her contribution to the whole cause of Christian higher education."

Dorothy Lee Ferris, who graduated at Maryville in 1928 and is now physician in charge of the Frances Newton Hospital, Ferozepur, India, was awarded the honorary degree of Doctor of Humane Letters in recognition of her "consecrated, skillful, and notable service as a physician and a medical missionary." In 1947 Dr. Ferris received the Kaisar-i-Hind Medal, the highest award of the Government of India for public service.

The Doctor of Divinity degree was awarded to the Rev. William Wood Duff, Pastor of the Hillsboro Presbyterian Church, Nashville.

Alumni Day was on Saturday, May 13, a change from the custom of having it on the day preceding Commencement. The reunion classes held luncheons at restaurants in and near Maryville and most of them met at some Maryville member's home for

Dr. Henry and Dr. Ferris

fellowship and reminiscence. The Annual Alumni Dinner that night was attended by about 300 people. Mrs. John R. Stoffell (Edith Newman) was the only member of the Class of 1900 (Fifty-Year) who could be present then or at the Commencement Exercises.

The Twenty-Five Year Class, 1925, had a large representation and from all appearances and reports an excellent time.

A brief report of the work of the Alumni Association was given, and the following officers were elected for the current year: President, Dr. William C. Crowder, '28, Vice-President, Dr. Wilbur S. Johnson, '34; Recording Secretary, Miss Winifred L. Painter, '15; Class of 1953 of the Executive Committee, Mr. Guy W. Sneed, '24, Mrs. John Kenst, '31, Mrs. Hugh Crawford, Jr., '35.

1951 REUNIONS

The classes scheduled for reunion at the 1951 Commencement are those of 1901 (Fifty Year), 1911, 1921, 1926 (Twenty-Five Year), 1931, 1936, 1941, 1946. As will be noted, this plan, adopted by the Alumni Association in 1948, calls for reunion of the classes which have been out fifty, forty, thirty, twenty-five, twenty, fifteen, ten, and five years. Alumni Day will be Saturday, May 12, and Commencement Day Wednesday, May 16. If you belong to one of these classes, begin to make your plans now. Below is a list of persons who will act as the "local contacts" for the reunion classes. Write to your own class representative in the list or to the Alumni Office for information. All addresses are in Maryville.

1911—Mrs. A. B. Waggoner (Blanche Proffitt), 406 Willard Avenue.

1921—Mrs. Leslie G. Walker (Marguerite Sullinger), 510 West Broadway.

1926—Mr. Joe C. Gamble, Goddard & Gamble.

GROUP INSURANCE FOR STUDENTS

This summer the College worked out a group plan with the Provident Life and Accident Insurance Company of Chattanooga by which students may secure good hospital and surgical insurance coverage during the college year at a low cost of \$9 for nine months. The student is protected from the time he leaves home in the fall until he arrives back home in the spring. Treatment of injuries received in athletics is included. The plan is open also to members of the faculty and staff although the College has arranged other plans specifically for them.

The College believes that this will prove to be of great benefit to its students and is glad to offer them the opportunity to participate.

PRESIDENT LLOYD'S PROGRAM

In addition to his daily responsibilities at the College, President Lloyd fills frequent speaking and preaching appointments in various States and takes part in a considerable number of college, church, and general enterprises. For example, he has recently attended the large meeting of college and university executives in Washington, D. C., called by the American Council on Education to discuss the impact on colleges of the present military preparations. He is a delegate to the constituting assembly of the new National Council of Churches of Christ in the U. S. A. to be held at Cleveland, Ohio, at the first of December. Also in December, he will represent the College at the annual meeting of the Southern Association of Colleges and Secondary Schools, in Richmond. And he will attend other meetings, including some on church union, as the weeks go by. Through its president, faculty, directors, and alumni, Maryville College is represented in a wide range of constructive programs in this country and abroad.

TWENTY-FIVE YEAR CLUB

Twenty-five years ago this fall Professor Fred Albert Griffitts became a member of the Maryville College Faculty. Recognition of this was given at the meeting of the Faculty Club on October 2 (at which incidentally he was the speaker) and according to the usual custom he was presented with twenty-five roses.

Professor Griffitts graduated from Maryville College in 1925, holds an M.S. degree from Iowa State College and a Ph.D. degree from Indiana University. He has been active in many professional, church, and civic affairs. In 1948-1949 he was president of the East Tennessee Section of the American Chemical Society. He is an Elder in the New Providence Presbyterian Church and was a Commissioner to the 1950 General Assembly. And as all students of the past twenty-five years know, he has always been active and interested in affairs on the campus. Since 1944, in addition to his teaching, he has been Manager of the Book Store.

In 1933 he married Ruby Miller, of Knoxville, who graduated from Maryville College in 1932, and is an active leader in the women's work of the Presbyterian Synod of Mid-South and in community, church, and educational circles.
